OUR OBJECTIVE

Enjoy being a part of a military-friendly company whose No. 1 priority is you. By providing ongoing training and equipping you with every technological advantage, Werner Enterprises allows you to focus on doing your job safely and efficiently while earning a healthy paycheck. This ensures you and your family will be taken care of from day one.

VETERAN HIRING

- Veteran hires have increased significantly throughout the past few years, comprising about 20 percent of Werner's professional driver workforce and 15 percent of all company associates. In April 2013, Werner and the Operation Freedom program were recognized for their support of the military by Joining Forces, the White House military employment campaign, at an event hosted by President Barack Obama, First Lady Michelle Obama, Vice President Joe Biden and Dr. Jill Biden.
- Operation Freedom has earned Werner recognition from G.I. Jobs as a Top Military Employer and Top Military Spouse Friendly Employer and from Military Times as a Best for Vets 2013 Employer.
- Military veteran hires have increased approximately 20 percent year over year since 2012, and military veteran spouse hiring has increased approximately 60 percent in 2014 over 2013.

APPRENTICESHIP PROGRAM

- Approved by the DOL and VA in April 2006, Werner established the very first apprenticeship program in our industry that focuses on the recruitment of veterans.
- In this program, eligible veterans who have the Post 9/11 GI Bill can receive up to \$14,215 of their tax-free education benefits while working at Werner, in addition to their Werner pay.

VETERAN TUITION REIMBURSEMENT PROGRAM

- Introduced in August 2013, this program allows veterans who are first-time student drivers to use their GI Bill benefits to pay for their truck driving school.
- Payment is \$100 a month, paid directly to the veteran. Total amount of payments will not exceed \$7,500.

FREEDOM TRUCKS

- The Operation Freedom fleet consists of five military-themed trucks driven by select Werner professional drivers. The fleet's mission is to reach out and honor our veterans, demonstrating Werner's appreciation by attending driver school recruiting events, truck shows and military appreciation events – all while hauling freight.
