## **ADVANCED RATE OF PAY PROGRAM**

We're proud to announce the Veterans Administration just accredited US Xpress as part of the Post 9/11 GI Bill Apprenticeship Program—one of a select few trucking companies to receive this honor. That means new drivers can now receive tax-free housing benefits checks from the V.A., in addition to earning great money from US Xpress! DRIVERS CAN EARN UP TO \$82,000 YOUR FIRST YEAR! Don't want to use your GI Bill or not eligible? Then our Advanced Rate of Pay Program may be your best choice.

## **How the Apprenticeship Program Works**

If you qualify for the post 9/11 GI Bill, you're now eligible to get up to 24 monthly payments from the V.A. while you receive on-the-job training as a professional truck driver at US Xpress. Depending on your active duty status you can get an additional monthly check from the V.A. in addition to your pay from Us Xpress. That's up to \$25,700 more a year...tax-free! Add it to a big paycheck from us and it means you'll be earning great money while you gain a valuable career. Eligible veterans will complete the V.A. required paperwork on their first day of driver orientation at US Xpress to enroll in our apprenticeship program.

Once you are employed by US Xpress it can take the V.A. approximately 90 days to determine eligibility and issue your first check. Benefits checks are paid directly from the Department of Veteran Affairs. Pay depends on the category a person fits in, but is TAX FREE.

You may prefer the Advanced Rate of Pay Program because it enables you to save your GI Bill benefits AND STILL MAKE GREAT MONEY! In fact, once you have your CDL license, you'll start at the same rate of pay as a driver with two years of experience – that's up to \$45,000-\$70,000 your first year! And we'll even reimburse you up to \$7,000 to cover your CDL school tuition, even if you utilized your Post 9/11 G.I. Bill to pay for it.
